## **ABES Engineering College, Ghaziabad**

### **Policy for Teacher's Training**

The objective of the proposed policy is to motivate the Faculty members to undergo various training programs and enhance and update their knowledge and skills in the field of their study.

In view of the above objective, ABESEC will support in following ways:

1. OD on HOD's approval will be provided to the Faculty members for the duration of training period.
2. Training cost incurred will initially be shared on 50-50% basis i.e. 50 % cost will be paid by the Faculty member and 50% by the College.
3. After successful completion of training program; if Faculty member further trains the two successful batches of students then 50% training cost part given by Faculty member will also be reimbursed by the College. It also includes assessment on the basis of following parameters too:
  - a) Students feedback of the training Faculty member
  - b) Success rate= $\frac{\text{Number of Students successfully completed training}}{\text{Total no. of Students enrolled initially}} * 100$

Total no. of Students enrolled initially
